

VOLUNTARY AGENCY LIAISON

RESOURCE CATEGORY	Emergency Management
RESOURCE KIND	Personnel
OVERALL FUNCTION	The Voluntary Agency Liaison (VAL) serves as the central coordination point between local, state, tribal, territorial, and Federal governments and voluntary, faith-based, and community organizations responding in times of disaster—including supporting the coordination of volunteers, donations, and people providing disaster services. The VAL also gathers and provides daily statistical reports and other pertinent information about disaster response and recovery services, including mass care and other services, from voluntary, faith-based, and community organizations to appropriate government agencies and other voluntary organizations.
COMPOSITION AND ORDERING SPECIFICATIONS	<ol style="list-style-type: none">1. This position can be ordered as a single resource.2. Discuss logistics for deploying this position, such as working conditions, length of deployment, security, lodging, transportation, and meals, prior to deployment

Each type of resource builds on the qualifications of the type below it. For example, Type 1 qualifications include the qualifications in Type 2, plus an increase in capability. Type 1 is the highest qualification level.
