

## POST-DISASTER BUILDING SAFETY EVALUATOR

<b>RESOURCE CATEGORY</b>	Emergency Management
<b>RESOURCE KIND</b>	Personnel
<b>OVERALL FUNCTION</b>	<p>The Post-Disaster Building Safety Evaluator (Building Safety Evaluator) conducts Rapid Evaluations or Detailed Evaluations of buildings in incident areas, in accordance with Applied Technology Council (ATC) ATC-20-1 and ATC-45 guidance:</p> <ol style="list-style-type: none"> <li>1. Rapid Evaluation: Provides an initial general evaluation of damage and safety and quickly identify and post unsafe and apparently safe structures, and to identify buildings requiring Detailed Evaluation or necessary restrictions on building use</li> <li>2. Detailed Evaluation: Provides a careful visual examination of the building and its structural system and to evaluate questionable buildings, to identify necessary restrictions on building use or to identify the need for an Engineering Evaluation</li> </ol>
<b>COMPOSITION AND ORDERING SPECIFICATIONS</b>	<ol style="list-style-type: none"> <li>1. This position can be ordered as a single resource or in conjunction with a NIMS typed team (Post-Disaster Building Safety Evaluation Team).</li> <li>2. Discuss logistics for deploying this position, such as working conditions, length of deployment, security, lodging, transportation, and meals, prior to deployment</li> <li>3. Requestor orders or provides a Post-Disaster Building Safety Evaluation Strike Team Leader for administrative and logistics oversight</li> <li>4. Requestor orders or provides a Post-Disaster Building Safety Evaluation Team Technical Supervisor to manage and oversee this position</li> <li>5. This position does not escort residents or provide cost estimates, advice on repairs/rebuilding, or design services</li> </ol>

Each type of resource builds on the qualifications of the type below it. For example, Type 1 qualifications include the qualifications in Type 2, plus an increase in capability. Type 1 is the highest qualification level.

COMPONENT	TYPE 1	TYPE 2	TYPE 3	NOTES
<b>DESCRIPTION</b>	Same as Type 2, PLUS: Leads Detailed Evaluations, in accordance with ATC-20-1 and ATC-45 guidance	Same as Type 3, PLUS: Leads Rapid Evaluations of buildings in incident areas, in accordance with ATC-20-1 and ATC-45 guidance	The Type 3 Building Safety Evaluator: Assists with Rapid Evaluations or Detailed Evaluations of buildings in incident areas, in accordance with ATC-20-1 and ATC-45 guidance	Not Specified
<b>EDUCATION</b>	Not Specified	Not Specified	Not Specified	Not Specified

Position Qualification for Infrastructure Systems  
Emergency Management

COMPONENT	TYPE 1	TYPE 2	TYPE 3	NOTES
<b>TRAINING</b>	Same as Type 2	Same as Type 3	Completion of the following: 1. IS-100: Introduction to the Incident Command System, ICS-100 2. IS-200: Basic Incident Command System for Initial Response, ICS-200 3. IS-700: National Incident Management System, An Introduction 4. IS-800: National Response Framework, An Introduction 5. One of the following: a. International Code Council (ICC) When Disaster Strikes Institute b. California Office of Emergency Services (Cal OES) Safety Assessment Program (SAP) c. ATC-20 and ATC-45 programs with additional concepts of operations training	Not Specified
<b>EXPERIENCE</b>	Same as Type 2, PLUS: Experience: Five years of experience in building design and analysis, including evaluation of existing buildings, field investigation, and construction observation	Same as Type 3	Knowledge, Skills, and Abilities: 1. Knowledge of the methodology and practices associated with: a. Evaluating existing structures or b. Field investigation or c. Construction observation or d. General construction 2. Ability to use GPS  Experience: Four years of experience in building design or analysis, including evaluation of existing buildings, field investigation, or general construction, construction observation, or inspection experience	Bachelor's in civil or structural engineering or related field or a bachelor's in architecture or related field may be substituted for Type 3 experience at the AHJ's discretion.
<b>PHYSICAL/MEDICAL FITNESS</b>	Same as Type 2	Same as Type 3	Moderate	NIMS Guideline for the National Qualification System (NQS) defines Physical/Medical Fitness levels for NIMS positions.
<b>CURRENCY</b>	Same as Type 2	Same as Type 3	Completes all necessary refresher trainings or exams for training courses listed above; completes all necessary recertifications	Not Specified
