### Composition and Ordering Specifications
1. This position can be ordered as a single resource.
2. This position can be ordered with a NIMS typed unit (Logistics Staging Unit).
3. Discuss logistics for deploying this position, such as working conditions, length of deployment, security, lodging, transportation, and meals, prior to deployment.

Each type of resource builds on the qualifications of the type below it. For example, Type 1 qualifications include the qualifications in Type 2, plus an increase in capability. Type 1 is the highest qualification level.
