**OVERALL FUNCTION**
The Fatality Management (FM) Dental/Medical Records Acquisition Specialist coordinates with interview and data entry functions to receive notice of missing persons’ potential dental and medical care providers.

**COMPOSITION AND ORDERING SPECIFICATIONS**
1. This position can be ordered as a single resource or in conjunction with a NIMS typed team (Fatality Management Victim Information Center Team).
2. Discuss logistics for deploying this position, such as security, lodging, transportation, and meals, prior to deployment.
3. This position typically works 6 hours per shift, is self-sustainable for 72 hours, and is deployable for up to 14 days.

Each type of resource builds on the qualifications of the type below it. For example, Type 1 qualifications include the qualifications in Type 2, plus an increase in capability. Type 1 is the highest qualification level.
