<td>OVERALL FUNCTION</td>
<td>The Virtual Operations Support Team (VOST) Administrator ensures that a VOST meets all administrative guidelines necessary to function seamlessly within the incident</td>
</tr>
</tbody>
</table>

**COMPOSITION AND ORDERING SPECIFICATIONS**
1. This position can be ordered as a single resource.
2. Discuss logistics for deploying this position, such as working conditions, length of deployment, security, lodging, transportation, and meals, prior to deployment
3. This position may be pre-existing within a jurisdiction that has already developed a VOST
4. This position typically deploys and works under the supervision of an Authority Having Jurisdiction (AHJ)

Each type of resource builds on the qualifications of the type below it. For example, Type 1 qualifications include the qualifications in Type 2, plus an increase in capability. Type 1 is the highest qualification level.
