

COMMUNICATIONS UNIT LEADER (NQS)

TYPE	TYPE 1	TYPE 2
DESCRIPTION	Same as Type 2, PLUS: 1. Rapidly assesses whether the area of operations comprises multiple geographic areas and whether they use the same communications policies and systems 2. Establishes physical interoperability connections between communications systems over wide areas 3. Establishes a communications plan among command center, staging, base, camp, and other operational sites 4. Establishes capacity of available radio frequencies and channels for incident response by multiple first responder disciplines, multiple jurisdictions, and numerous operational personnel 5. Supervises Communications Unit staff and is accountable for their safety and adherence to Incident Command System (ICS) procedures	Same as Type 3, PLUS: 1. Provides rapid assessment of communications options, taking into consideration incident objectives, known status of existing communications systems and infrastructure, pre-positioned plans within the jurisdiction's Interoperability Communications Plan, and rapidly available options for communications equipment and supplies 2. Reports status and recommendations within ICS procedures 3. Implements voice protocols, policies, and procedures necessary to make use of existing communications systems serving the incident area 4. Establishes logistics for extended use of communications equipment in challenging environments, including exchange and resupply of radios, phones, and computers for multiple shift changes 5. Establishes communications staging area 6. Plans for restoring and augmenting communications services, taking into account backup plans, reliability, and resiliency, based on situational awareness of incident environment
CATEGORY	CRITERIA	CRITERIA
EDUCATION	Not Specified NOTES: Not Specified	Not Specified
TRAINING	Same as Type 2 NOTES: Identified equivalent trainings should meet or exceed course	Same as Type 3, PLUS: ICS-400: Advanced Incident Command System for Command and General Staff - Complex Incidents learning objectives.
EXPERIENCE	Same as Type 2, PLUS: 1. Successful completion of the National Qualification System (NQS) Position Task Book (PTB) for the National Incident Management System (NIMS) Type 1 Communications Unit Leader, or equivalent Authority Having Jurisdiction (AHJ) documentation 2. Experience in managing operational mission-critical first responder communications or communications systems, including accountability for emergency communications policies and procedures 3. Satisfactory performance during an ICS assignment as a chief, director, supervisor, or leader 4. Satisfactory performance as a NIMS Type 2 Communications Unit Leader NOTES: Not Specified	Same as Type 3, PLUS: 1. Successful completion of the NQS PTB for the NIMS Type 2 Communications Unit Leader, or equivalent AHJ documentation 2. Satisfactory performance as a NIMS Type 3 Communications Unit Leader

ORDERING SPECIFICATIONS OR DESIGNATIONS

1. (X) Can be ordered as an individual asset
2. () Can be ordered in conjunction with a NIMS typed team
3. () Can be ordered in conjunction with a NIMS typed unit
4. Discuss logistics for deploying this position, such as security, lodging, transportation, and meals, prior to deployment
5. This position typically works 12 hours per shift, is self-sustainable for 72 hours, and is deployable for up to 14 days
6. Requestor may specify any additional qualifications necessary based on incident complexity and needs
